Support Personnel Accountability Report Card- SPARC

Gives a school site an opportunity to demonstrate effective communication and a commitment to getting results for school counseling and student support programs. The Support Personnel Accountability Report Card (SPARC) is a continuous improvement tool that gives a school site an opportunity to demonstrate effective communication and a commitment to getting results. Modeled after the School Accountability Report Card (SARC), the SPARC has been developed by an advisory group of Los Angeles County counselors, counselor supervisors, counselor educators, and California Department of Education (CDE) consultants.
