Cal-Safe Program

The Cal-Safe program offers many services to pregnant or parenting teenagers. Students receive prenatal, parenting and nutrition education, meal supplements for pregnant or lactating students, transportation to and from school, peer counseling and support, referrals to other agencies, access to WIC, among other services. Students should see their counselor to access Cal-Safe services.

North Park Childcare Program

North Park has a child daycare facility on campus where students can bring their children. Daycare for this program is free for students. Children must be less than 3 years old to be eligible for this program. Students may be with their children for one class period per day and receive class credit.
