Dual Language is celebrating Latinx Heritage Month: **FUN FACT** - In Yoro Honduras, it sometimes rains fish! This is because of the strong currents of freshwater that make the fish fly.

DONS: It is never too early to start thinking of college. SVHS wants everyone to start planning their futures. Starting this month, we will begin our College Promotion. Join us this and all Wednesdays by wearing gear from one of your favorite universities, colleges, vocational/trade schools. Wear your favorite college t-shirt, take a picture wearing the college t-shirt and email it to your counselor. We will add it to our college t-shirt wall. We will also have a monthly contest in period 2 classes. The class with the most college t-shirts for the month will win a pizza party.

No Games Today!
