Announcements

Our goal at the Wellness Center is to provide support and encourage the development of strategies to overcome the challenges that life might bring.

One of those important strategies is the practice of gratitude even when things are dire, distressed or difficult. Through the practice of gratitude, we can build hope and resilience. Today's quote is:

Be thankful for what you have; you'll end up having more. If you concentrate on what you don't have, you will never, ever have enough.

Attention Students: If you are experiencing technical issues with your school issued Chromebook, please come by the Library during LUNCH ONLY for technical support.

Attention Students: Stop by the table outside of the Counseling Office TODAY and every Wednesday to answer trivia questions for the chance to win a prize.

Attention Sophomore Students: Do you have a strong interest in leadership, making a difference and helping others? If so, how would you like to attend a leadership seminar with other high school sophomores who share the same interest? HOBY is the nation's top leadership development organization. They are looking for a S.V.H.S. sophomore who wants to develop and utilize their leadership skills. If chosen, you will attend their summer state leadership conference for FREE! Don't miss out on this unique experience! Applications are due to Mrs. Pamay-Ochoa, in the Counseling Office TODAY!

Clubs & Activities

There will be a GSA meeting TODAY in Room 506, Ms. Castillo's room. We will have fun activities and a prize! Bring a friend, all are welcome!

NAMI will be having a club meeting TODAY during Lunch in Room 608. We hope to see you all there!
