Announcements

S.V. Students: Did we put on our college, vocational/trade school or armed forces clothing today? Today is "College Day" and it's all about seeing higher education and learning in your future. The learning cannot stop with just a high school diploma. We must go past that. Your college and career goals matter because YOU MATTER! So go out there and make it happen! Thank you to everyone who participated in AVID's College and Career Week Spirit Days. You are awesome!

The AVID Program will be hosting a lunchtime activity TODAY in the Center Quad. Join us for a College Trivia game and win prizes like t-shirts and lanyards for your participation. Hint: we will ask questions about college admissions, financial aid, community service, the Cal State & U.C. system, etc. We promise to make it easy! Join us in helping to spread the word about colleges and careers. Let's end the week with a prize!

Attention Sophomore Students: Do you have a strong interest in leadership, making a difference and helping others? If so, how would you like to attend a leadership seminar with other high school sophomores who share the same interest? HOBY is the nation's top leadership development organization. They are looking for a S.V.H.S. sophomore who wants to develop and utilize their leadership skills. If chosen, you will attend their summer state leadership conference for FREE! Don't miss out on this unique experience! Please visit the Counseling Office TODAY to pick up an application and speak with Mrs. Pamay-Ochoa. Applications are due to Mrs. Pamay-Ochoa, in the Counseling Office, by Wednesday, November 16th.
