Class of 2022!

The pathway to college is closer than you think. The SVHS AVID Program is currently accepting applications for next school year. If you want support on your journey towards college, fill out an AVID application and become a part of the AVID family. We are accepting students for AVID 9, 10 and 11. You can get the application from your counselor's website or a paper copy from any AVID teacher. Applications must be turned in by Tuesday, February 22nd, either online on the AVID Google Classroom page or in person to Ms. Gutierrez in Room 504. We hope to see you in the AVID classroom next year!

Dons: Would you like to join ASB next year? The ASB application is available online on the ASB page of the school website. You can also find the QR code outside the ASB Office. Apply today! The deadline is February 25th.
