Announcements

As part of Women's History Month: The 19th Amendment, which granted American women the right to vote, ironically didn't give all women the right to vote. Native American women, African American women, Asian American women and Latinx women were still not allowed to vote. It wasn't until the 1965 Voting Rights Law that these women were allowed to vote.

Attention Students: Are you interested in knowing more about a career in Law Enforcement and knowing the type of discipline it take to be a police officer? If you answer is yes, then pick up an application for the Baldwin Park Police Department PRIDE Platoon boot camp program, in our Counseling Office. Please stop by to see Mrs. Canal if you have any questions.
