Announcements

As part of Women's History Month, Women's Empowerment Club would like you to know that women outnumber men in earning postsecondary degrees. According to 2021 data from the Education Data Initiative, 59% of women continued their education after high school compared to 50% of men. Yesterday, the United States lost an important public servant with the death of Madeleine K. Albright. Under President Clinton, Ms. Albright became the U.S. representative for the United States and then U.S. Secretary of State, at the time she was the highest woman in power. Ms. Albright's performance as Secretary of State won high marks from career diplomats abroad and ordinary Americans at home.

Seniors: You should have already ordered your cap and gown. There is a list posted in the Center Quad and in senior classrooms of students who still need to finalize their cap and gown plans. You must see Mrs. Merrick TODAY if your name is on the list.

No prom tickets will be sold at the door. You must buy them pre-sale at school.
