Announcements

Did you know that women in the United States couldn't get credit cards on their own until 1974 when Congress passed the Equal Credit Opportunity Act of 1974? Women couldn't get credit cards in their own name or almost anything related to banking. Often, they had to bring a man along to co-sign for them. It wasn't until the Equal Opportunity Act and the legal work laid by late Supreme Court Justice Ruth Badger Ginsburg that the act was passed. It also gave women the ability to attend state-funded schools, serve on juries and protection from pregnancy discrimination at work.

Attention 11th Grade Students: You will be scheduled to continue testing on Tuesday, March 29th, and Wednesday, March 30th, from periods 1-3. We want to remind you to be present and on time. Please get plenty of rest, have breakfast, bring your Chromebook fully charged and make sure you are mentally prepared for the exams. These exams are important and highlight Sierra Vista High School. Do your best and good luck!

Seniors: You should have already ordered your cap and gown. There is a list posted in the Center Quad and in senior classrooms of students who still need to finalize their cap and gown plans. You must see Mrs. Merrick TODAY if your name is on the list.

No prom tickets will be sold at the door. You must buy them pre-sale at school.
