### Announcements

As we continue Women's History Month, did you know that today 71% of moms with kids under 18 work? In 1975, fewer than 47% did. Once upon a time, the idea of women working outside of the home was frowned upon and most women who did so worked as maids, seamstresses, took in laundry or worked in one of the traditionally female fields. Today, more women not only work outside the home but hold a wider variety of jobs, with some even making it to the top of business, technology and science fields. And that's the way it should be!

**11th Grade Students:** You will be scheduled to continue testing on Tuesday, April 5th, and Wednesday, April 6th, from periods 1-3. We want to remind you to be present and on time. Please get plenty of rest, have breakfast, bring your Chromebook fully charged and make sure you are mentally prepared for the exams. This is the last week of testing, so please make sure to finish strong. Good Luck!

**Seniors:** You should have already ordered your cap and gown. There is a list posted in the Center Quad and in senior classrooms of students who still need to finalize their cap and gown plans. You must see Mrs. Merrick TODAY if your name is on the list.

**Attention Juniors & Seniors:** Prom tickets are now on sale during Lunch ONLY in ASB. Prices are \$115 with ASB and \$125 without. Tickets are limited! Don't wait until the last minute!!! Last day to purchase tickets is April 8th. No prom tickets will be sold at the door. You must buy them pre-sale at school.
