Announcements

This week we celebrate Teacher Appreciation Week. We want to thank our teachers for everything they do! We want you to know that you are loved and appreciated. Thank you for your hard work and dedication, it does not go unnoticed.

Students: Have you heard of the School Site Council? We need three student reps for next year to attend monthly meetings and provide the student perspective on various issues. The School Site Council includes staff, parents and Mr. Pratt. The student reps should be articulate, outspoken and good listeners, with the ability to represent multiple student groups on campus. Interested? Come to ASB this week for details.

Hey there! Yes you!! Are you currently taking Integrated Math 3 or higher? Do you need community service hours and are good at Math?? Come tutor your fellow DONS during the summer. Mrs. Ligutom is currently accepting applications to be a summer school Math tutor. Pick up an application in Room 605 during Brunch or Lunch.
