### Announcements

Attention ALL Students: Unfortunately, we are not taking student photos at this time because our school I.D. system will not arrive until mid-September. If you did not take a photo I.D. during registration, you will have to wait until ASB receives the camera and printer. If you got a lunch pass and it's not on your I.D., continue to use the yellow card until we can issue a new I.D. card to you. If you purchased an ASB card and it was not added to your I.D., please stop by the ASB Office for a temporary sticker until we are able to replace your I.D.

Attention Students with Work Permits: ALL work permits will be expiring TODAY. If you are still working, you will need to renew your work permit. See Ms. Svider in the Counseling Office for more information.

Attention Students: If you currently have a job and are working, you can earn up to 10 elective credits. Please see your academic counselor this week for more information.
