### Announcements

Attention ALL Students: Unfortunately, we are not taking student photos at this time because our school I.D. system will not arrive until mid-September. If you did not take a photo I.D. during registration, you will have to wait until ASB receives the camera and printer. If you got a lunch pass and it's not on your I.D., continue to use the yellow card until we can issue a new I.D. card to you. If you purchased an ASB card and it was not added to your I.D., please stop by the ASB Office for a temporary sticker until we are able to replace your I.D.

Attention Students: If you currently have a job and are working, you can earn up to 10 elective credits. Please see your academic counselor this week for more information.

### Clubs & Activities

Attention Students: Ling Crew is inviting you to participate in this week's Spirit Week. Each day there will be a different theme to dress up for. Here are the themes:

Thursday: EDC Day - wear neon colors or a tutu  
Friday: Coachella Day - dress up boho or hippie  
Make sure to keep in mind the dress code when planning out your outfits each day! Freshman, make sure to join us in the Center Quad each day during Spirit Week for some fun activities we have planned out for you!
