### Announcements

Dual Language is celebrating Latinx Heritage Month:  
**FUN FACT** - Latin America is the most urbanized continent in the world with almost 80% of its citizens living in cities.

Attention Students: Representatives from the following schools will be on our campus in October. These workshops are open to ALL students.

\*October 7th - U.C. Riverside

\*October 14th - Cal Poly Pomona

If you are interested in attending the workshops, come to the Counseling Office and add your name to the clipboard on Mrs. Sandra Anaya's door. Space is limited, so sign up soon!
