Announcements

Do you know the warning signs of suicide? Here are just a few: talking about hopelessness or plans for suicide, acting recklessly, isolating themselves, neglecting personal responsibilities, signs of depression, etc. If you know anyone that displays these signs, take action and get them immediate help. There is a new 988 Suicide and Crisis Lifeline. This is a 24/7 hotline that you can call or text with either your own needs or those of a loved one in crisis. To dial the Suicide and Crisis hotline number, just dial "988." Please wear your favorite team tomorrow as to "Team Up Against Suicide."
