### Announcements

Hello Sierra Vista High School Students! In our efforts to maximize the instructional time of our students, deliveries or drop offs of any type are NOT allowed. In addition, food deliveries to the campus for students are PROHIBITED. Any item (food, materials, etc.) requesting to be dropped off by a parent/guardian or delivery by any restaurant or affiliate (Door Dash, Uber Eats, Grub Hub, etc.) will NOT be accepted by the staff of Sierra Vista High School. Please make sure you have all of your school/athletic items/materials needed for the school day before leaving the house. Thank you for your support.

**NO DELIVERIES**

As part of honoring Latino cultures and contributions, Dual Language Club is highlighting the Bracero Program today: Did you know that there was a time that Americans were desperate for the Mexicans to immigrate to the U.S.? The United States reversed its policies and behavior toward Mexicans in 1941. American farmers needed help and pleaded with the government to find employees willing to work for low pay. As a result, the United States and Mexico created the Bracero Program. This program was publicized as an encouragement by the United States for Mexican citizens to travel across the border and earn money.
