A.V.I.D.

Great News! AVID is still accepting applications for next school year. If you are currently a Freshman or Sophomore, we have space in our AVID 10 & 11 class. Here are a few reasons why AVID would be great for you at these grade levels:

*For next year's Sophomores: There is something known as the "Sophomore Slump." AVID can help you to avoid this academic pitfall with its weekly in-class tutorials. For many Sophomores, Chemistry is a tough class and AVID tutorials are a great way to help you succeed in classes like Chemistry.

*For next year's Juniors: This will be the most important academic year of high school. AVID can help you get a head start on the UC application for your Senior year. Also, you will be surrounded by other Juniors in AVID who want to make Junior year really count for them.

If you want extra academic support or just want to belong to a program that is really more of a family, then apply to AVID today. Speak to any AVID teacher for more information. You can also check out our AVID Instagram page, @sv.avid for access to the online application. We hope to see more S.V.H.S. students in the AVID classroom next year.

Yearbook

DONS: The 2024 Yearbook has been completed and is currently being bound by our publisher. It will be delivered soon. If you haven't bought your yearbook, you still have a chance but time is running out. We only have 37 yearbooks left for sale and we are not going to order any additional yearbooks this year for any reason. Yearbooks can no longer be purchased at the ASB Office and can now only be purchased online at www.yearbookforever.com. If you need assistance buying your yearbook, please come see Mr. Garcia in Room 513 during Brunch for help.
