Hey Dons: Great News! AVID is still accepting applications for next school year. If you are currently a freshman or sophomore, we have space for you in AVID 10 & 11. Sophomore year is really tough. AVID 10 will help you to avoid the dreaded "Sophomore Slump" and stay on track academically. Junior year is even harder. AVID 11 will surround you with motivated juniors who want to make their junior year a success.

If you are looking for extra academic support or just want to belong to a program that is really more of a family, then apply to AVID today. Speak to any AVID teacher for more information. You can also check out our AVID Instagram page @sv.avid for access to the online application. We hope to see more S.V. students in the AVID classroom next year!
