Clubs & Activities

Good morning students! For Mental Health Awareness Month, we will be offering some different ways for you to learn and better your mental health by practicing "Wellness Wednesdays" with us. First of all, we would like to invite all students and staff to wear green on Wednesdays to elevate mental health awareness throughout our campus this month. Secondly, we would like to invite all students to take part in our Mental Health Advisory Workshop Series. Do you ever feel stressed out about school or your personal life? If so, the Students for Mental Wellness Program will be offering a special workshop during 6th period TOMORROW. We only have space for 24 students, so sign up ASAP. You can find the sign up form in the School Google Classroom for your grade level, on Instagram or in the Counseling Office. Have a mindful day DONS!

Attention Students and Staff: We are excited to announce that our AVID program is holding a donation drive to support Priceless Pet Rescue, a fantastic shelter dedicated to rescuing and caring for animals in need. We are accepting the following items:

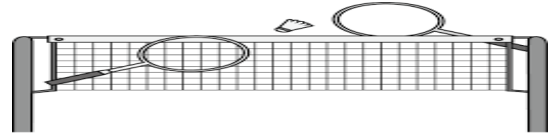

Laundry Soap, Bleach, Paper Towels,
Dog and Cat Food (Wet or Dry), Trash Bags,
Fabuloso, Dish Soap, Poop Bags, Dog Toys
and Cat Toys.

Please help us make a difference for these deserving animals! Community service hours will be given for each donation. All donations can be dropped off in Room 416 by Monday, May 12th. Together, we can help these pets find their forever homes.
